

THIS ELECTRONIC FUNDS TRANSFER DISCLOSURE ONLY APPLIES TO PERSONAL ACCOUNTS AND DOES NOT IN ANYWAY APPLY TO BUSINESS ACCOUNTS OR ACCOUNTS USED FOR BUSINESS PURPOSES. BUSINESS ACCOUNT INFORMATION IS DISCLOSED IN THE “ANYTIME BANKING BUSINESS ACCESS AGREEMENT.”

YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

Electronic Funds Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic funds transfer between your account and the third party’s account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearinghouse (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. In some cases, your authorization can occur when the merchant posts a sign informing you of their policy. In all cases, the transaction will require you to provide the third party with your account number and bank information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your bank and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic funds transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or savings account(s).
- **Electronic check conversion.** You may provide your check to a merchant or service provider who will scan the check for the encoded bank and account information. The merchant or service provider will then use this information to convert the transaction into an electronic fund transfer. This may occur at the point of purchase, or when you provide your check by other means such as by mail or drop box.
- **Electronic returned check charge.** Some merchants or service providers will initiate an electronic funds transfer to collect a charge in the event a check is returned for insufficient funds.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

Notice of ATM/Night Deposit Facility User Precautions

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transaction at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Don't lend your ATM card to anyone.
5. Remember; do not leave your card at the ATM. Do not leave any documents at a night deposit facility.

6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of you own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.
